

## **Consolidated Long Distance Unlimited Long Distance Restrictions**

Consolidated Long Distance is available to residential landline customers of Consolidated. Unlimited Long distance is for domestic voice calls only and covers direct dialed calls within the United States, Puerto Rico, Guam, Saipan, and the US Virgin Islands. It does not include 900 calls, 800 services, Calling Card calls, International Calls, Directory Assistance, Operator Assistance, multi-line conference calls, or data services.

It is not intended for use to connect to Internet service providers, data providers, or information services. Commercial facsimile, auto-redialing, resale, and telemarketing are also strictly prohibited.

The monthly recurring charge is subject to all taxes and tariffs. Regulations and rates are subject to change. Call detail records are not provided.

If Consolidated determines that usage is not consistent with residential customer voice usage, Consolidated may immediately suspend, restrict, bill excessive usage charges or cancel your service without prior notice.
